

# Help Hope Bloom

BE ONE OF THE 1,000 PEOPLE TO GIVE OR  
PLEDGE \$1,000 TO HELP BRING IT HOME!

My wife Kristy and I believe in the value of community coming together to care for each other. Chairing the HopeWest Board of Directors has been an experience that has opened my eyes to the level of support that families need as they face the issues of aging, illness, loss and grief. And, to the fact that no one is better positioned than HopeWest to provide that support as we expand to offer a PACE program and other services for seniors at The Bacon Center for Living Your Best.

Our Board of Directors unanimously agreed to individually support the 1,000 for \$1,000 campaign to help bring the final phase of the HopeBlooms campaign to fruition. HopeWest has been a community owned entity for as long as I can remember, and the 1,000 for \$1,000 campaign makes it possible for everyone in our community to continue their investment in HopeWest. Collectively we can make a huge impact.

I encourage everyone to consider investing in the 1,000 for \$1,000 HopeBlooms campaign as we prepare to open these new programs designed to help seniors in our community live the best quality of life possible, while helping them stay in the homes that they love. It's also exciting to be part of an effort that will add over 150 new jobs in Mesa County and have a major impact on our economy for years to come.

**Every gift counts as we move closer and closer to our goal.  
Please join us and be part of the amazing community that makes hope bloom!**

*-Dr. Pete Joufflas, HopeWest Board of Directors Chair*
