

Help Hope Bloom

BE ONE OF THE 1,000 PEOPLE TO GIVE OR
PLEDGE \$1,000 TO HELP BRING IT HOME!

Aging, illness and grief touch all of us, and the fear we feel while facing these challenges can be overwhelming. The Herb & Laura May Bacon Center for Living Your Best will be a place where seniors meet friends, access a holistic approach to health care and receive life-changing support.

Because of incredible support from the community, the building is complete, but we are not done yet! We are in the final phase of the HopeBlooms campaign and we need your help to reach our community goal. Funds from this phase will help us as we begin to open our next new program—Program of All-Inclusive Care for the Elderly (PACE). This is a unique opportunity to create something that will transcend generations and help make the last chapter of our lives the best they can be.

"Our community knows HopeWest for high-touch patient and family care. I am excited about being involved in telling the story and raising money for this next groundbreaking expansion of HopeWest's mission. It represents a response to and anticipation of an undeniable need of all of us: our parents now, us later! There is no better lineup of health care visionaries, clinical staff and community leaders to lead this effort."
